

Heart of Ohio

“America’s Biggest
And Best”

Antique Center

Established in March 1998, Heart of Ohio is the largest antique mall in America and was chosen by Martha Stewarts Living Magazine as “One of the Best Sources for Antiques and Decorative Collectables” in the country. Our goal is to operate the friendliest antique center with a vast selection of quality antiques and collectibles that encompasses virtually every genre of collecting. We are a full service antique mall with numerous amenities for our dealers. We offer internet sales, have a café on premises, and Berner’s Auction Gallery is located at our mall. Our 116,000 – square foot state-of-the-art facility has 400 spacious booths and over 300 optimum view showcases. Dealer spaces are carpeted and well lit, with pegboard walls and an electrical outlet in each booth. Our showcases are professionally made and double-locked for added security. I am confident that you will enjoy being a dealer at the Heart!

Sincerely,

**Earnest Jarrell
